

GEMINI May 22 – June 21

Ross Rugdee Astrological Analysis and Consultant
ross@royalastrologers.com

July 2010

- ♥ Your social life could take a positive turn. You may look better, and be more receptive and appreciative of others.
- 🗣️ You're not always pushy with your point of view, but now you feel compelled to be just that.
- 🔧 Don't be afraid to express yourself in imaginative and artistic ways. Although you might not make a full-time living at your art now, who knows what the future might hold?

August 2010

- ♥ You should get news you like from one of your friends -- maybe a new opportunity or activity has arrived!
- 🏠 Exaggerating will only lead to more trouble and complications where family members are concern.
- 🗣️ There may be some pain involved in the healing process, but ultimately you benefit from showing compassion to both yourself and your loved ones.

September 2010

- ♥ Euphoria's on the menu of your love life - will make you want to do only one thing: make everybody happy. And what's more, you'll have no problem doing it, you could charm the birds from the trees!
- 🔧 Something you lost interest in may be back on the agenda soon.
- ✈️ You may encounter engaging people or surprising events.
