July 2010

 You best efforts will come through travel, communication and dealing with people who have more experiences.

 A friend, relative or associate may be short on understanding and compassion, and will either undermine your position or criticizes you unfairly.

 You might easily come up against a brick wall, and the impact can be painful when you're running fast!

August 2010

 You're all sweetness and love. The Star fills you with self-confidence and puts you into an enthusiastic frame of mind, which will be conducive to striking up a new friendship or a romance with someone.

 You may be overly sensitive to criticism, noise or bustle and will look for a sanctuary so you can lick your wounds.

 Sector of health, use consciousness and good habits.

September 2010

 The results you show will be impressive and could catch the eye of people in your environment.

 You'll be showing great perseverance and tact in order to advance your goals, and you're mainly concerned with being constructive.

 You may be at cross-purposes with someone, but there is nothing to be gained by confronting people just because they have different point of view or technique.
