 You must find the means necessary it will allow you to show what you are capable of achieving. But don't rush. Your time will come, and your triumph with it!

## August 2010

 You're having fun while you figure out what's really going on with your sweetie or best friend -- it may be mysterious, but it's not dark.

 An interesting time on all levels and one in which you will learn a lot about others around you.

 If you have to make your values clear to someone you can do so with amazing tact, diplomacy and charm.
