July 2010

 There are projects you want to tackle and feel enthusiastic - capable of accomplished them.

 You will feel more light-hearted and more inclined to talk through issues that have got in the way of your relationship.

 It may be time to reconnect on a deep level with someone you have been taking for granted.

August 2010

 Your great energy means that you should have no trouble at all coming up with ideas for enjoying yourself.

 Your mind will be so intuitively sharp and capable of tremendously deep intellectual and spiritual understanding.

 You may spot a clue or two that offer insights into your current work or home situation and that can make the difference.

September 2010

 Get involved in something cultural. Introduce the ideas of other cultures.

 Have confidence in yourself, it could serve in this instance to protect you and turn your ambitions into reality.

 You could turn over a new leaf, healthwise, by making a positive change in your diet or exercise regimen that will ultimately improve your general well being.
